

KIRKWOOD BUSINESS
OWNERS' ASSOCIATION

**Are you a small business owner with a storefront in Kirkwood?
Or an entrepreneur working from home?
Maybe a business located outside of Kirkwood
with interests in the community?**

We are restaurant owners, insurance agents, graphic artists, music teachers, salon owners, jewelry designers, real estate agents, lawyers, coffee shop owners, bakers and consultants just to name a few.

The **Kirkwood Business Owners' Association** also known as **KBOA** was established in 2007 to promote growth, stability and profitability of the Kirkwood Business Districts.

Join us every third Tuesday of the month from 11am to Noon at the Kirkwood Library for the KBOA general meetings.

What we do:

- Hold monthly meetings that focus on neighborhood and City of Atlanta issues, events and resources pertinent to business owners.
- Coordinate quarterly evening networking events at KBOA member locations.
- Produce The Kirkwood Wine Stroll, signature fundraising event (now in its 11th year), to feature the business members of KBOA and raise funds for community projects!
- Beautify the commercial districts in collaboration with Kirkwood Neighbors' Organization.
- Installed the downtown welcome to Kirkwood sign, donated to public schools and community organizations, designed, installed and update all the seasonal street signage, and the Kirkwood billboards on Moreland and Dekalb Avenues.

Where are we located:

Kirkwood is bound on the north by DeKalb Avenue, on the south by Memorial Drive and Interstate 20, on the west by Montgomery Street, and on the east by 1st Avenue. Business and home-based business members are located within the boundaries. Associate members are located outside of the boundaries.

Membership means connectivity, resources and community. Benefits include:
